

Sick Policy:

If your child is too sick for school, they may not attend Bizi Kidz that day

If your child displays the following symptoms, we cannot keep them:

Child must be fever-free (less than 100°F) for 24 hours without the aid of medication; sore throat; coughing in excess or “seal bark” cough; runny nose that is thick, profuse, or yellow/green; flu-like symptoms (body aches, chills, fever); diarrhea in the past 8 hours after resuming eating; vomiting within the past 24 hours; pink eye symptoms (red/pink/itchy eyes/oozing); undiagnosed rash; head lice within the past 10 days. We do have a thermometer scanner & will call for a child to be picked up with a fever of 100°F or higher, or for any of the above listed symptoms. Repeat offenses will result in service refusal for future visits. The wellness & safety of all children & staff members comes first. Thank you for your understanding!
